These abridged financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies' regime and in accordance with Section 1A of FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In accordance with section 444 of the Companies Act 2006, the abridged statement of comprehensive income has not been delivered.

The company did not trade during the current year or prior year and has not made either a profit or loss.

For the year ending 31 January 2023 the company was entitled to exemption from audit under section 480 of the Companies Act 2006 relating to dormant companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its abridged financial statements for the year in question in accordance with section 476 ;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of abridged financial statements .

All of the members have consented to the preparation of the abridged statement of comprehensive income and the abridged statement of financial position for the year ending 31 January 2023 in accordance with Section 444(2A) of the Companies Act 2006.

Mr J.T. Phillips

Director

Company registration number: 07921766

# Coedcae Rosser Ltd

## Notes to the Abridged Financial Statements

### Year ended 31 January 2023

#### 1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is Garth Farm, Abertridwr, Caerphilly, CF83 4JG.

#### 2. Statement of compliance

These abridged financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

#### 3. Accounting policies

##### Basis of preparation

The abridged financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The abridged financial statements are prepared in sterling, which is the functional currency of the entity.

##### Income statement

The company is dormant as defined by section 1169 of the Companies Act 2006. The company received no income and incurred no expenditure during the current year or prior year and therefore no income statement is presented within these abridged financial statements. There have been no movements in shareholders funds during the current year or prior year.

##### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in equity, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in equity in respect of that asset, the excess shall be recognised in profit or loss.

##### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date. For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets. For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the company are assigned to those units.

## Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Debt instruments are subsequently measured at amortised cost. Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment. Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately. For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics. Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

## 4. Tangible assets

	£
<b>Cost</b>	
<b>At 1 February 2022 and 31 January 2023</b>	<b>5,000</b>
	-----
<b>Depreciation</b>	
<b>At 1 February 2022 and 31 January 2023</b>	<b>–</b>
	-----
<b>Carrying amount</b>	
<b>At 31 January 2023</b>	<b>5,000</b>
	-----
At 31 January 2022	5,000
	-----

## 5. Related party transactions

The company was under the control of the directors throughout the period. No transactions with related parties were undertaken such as are required to be disclosed under Financial Reporting Standard 102.

This document was delivered using electronic communications and authenticated in accordance with the registrar's rules relating to electronic form, authentication and manner of delivery under section 1072 of the Companies Act 2006.
