**1. STATUTORY INFORMATION**

1Up Cafe Brighton Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

**2. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

This is the first year for which the financial statements have been prepared under FRS 102. There were no adjustments required on transition to FRS 102.

**Turnover**

Turnover represents the invoice value of sales for the period less returns and allowances, exclusive of value added tax.

**Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less depreciation.

Depreciation is calculated to write off assets over their estimated useful lives at the following rates:

Short leasehold property - over the residue of the lease

Plant and equipment - 20% of cost

**Stock**

Stock is stated at the lower of cost and estimated net realisable value.

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**3. EMPLOYEES AND DIRECTORS**

The average number of employees during the year was 3 (2023 - 1).
