## **Notes to the financial statements**

### **Year ended 31 August 2021**

---

#### **1. General information**

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is The Gables, Old Market Street, Thetford, Norfolk, IP24 2EN. The company's trading address during the year was Hall Farm, Lexham Road, Litcham, Kings Lynn, Norfolk, PE32 2QH.

#### **2. Statement of compliance**

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

#### **3. Accounting policies**

##### **Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities. The financial statements are prepared in sterling, which is the functional currency of the entity.

##### **Revenue recognition**

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods supplied and services rendered, stated net of discounts and of Value Added Tax.

##### **Taxation**

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, tax is recognised in other comprehensive income or directly in equity, respectively. Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date. Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

##### **Tangible assets**

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

## Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Leasehold property	-	15% reducing balance
Plant and machinery	-	15% reducing balance

## Stocks

Commodity stocks and livestock are valued at the lower of cost and net realisable value by the directors.

## Hire purchase agreements

Assets held under hire purchase agreements are capitalised and disclosed under tangible fixed assets at their fair value. The capital element of the future payments is treated as a liability and the interest is charged to the profit and loss account at a constant rate of charge on the balance of capital repayments outstanding.

## Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

## 4. Employee numbers

The average number of employees during the year was 4 (2020: 4 ).
