1. Accounting Policies

Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the FRS 105 Financial Reporting Standard for Micro Entities (effective January 2016).

Going Concern

The financial statements have been prepared on a going concern basis. The company's ongoing activities are dependent upon the continued support of the director who has undertaken to provide such support for the foreseeable future.

If the going concern basis were not appropriate, adjustments would have to be made to reduce the value of assets to their recoverable amount, to provide for any further liabilities that may arise and to reclassify fixed assets as current assets and long term liabilities as current liabilities.

Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

Cost of sales

Website cost

Planning and operating costs for the company's website are charged to the profit and loss account as incurred.

2. Average number of employees

Average number of employees during the period was 0 (2023: 0).
